THE DIFFERENCE YOU  
MAKE IN OUR LIFE

# A TALE OF TWO — AGGIES —

## A PEEK INSIDE THE LIFE OF TWO JEWISH AGGIES

Hi, I am Delaney Becker '17 from Dallas. I just graduated with a degree in Allied Health. I was attracted to

Chabad since my brother Alec attended Chabad as an undergrad and always talked about it. I first visited Chabad for **Kosher Cooking Club**. I immediately felt at home. Rabbi Yossi & Manya opened their hearts to me and I became a close part of their family.

***"Chabad helped us succeed in bringing AEPHI to Texas A&M University"***

As President of Chabad in 2015, I was able to gain incredible leadership skills. Chabad has always been there for me. As President of our Sorority, Chabad helped us succeed in bringing AEPHI to Texas A&M University. Chabad continues to provide us with unconditional support.

I know Chabad wouldn't be what it is without your help and support. You help Chabad financially, students help on the ground, and alumni keep giving back when they can. You are giving current students the incredible opportunity I had as student.

I'm Justin Katz '17 from Dallas, I just graduated with a degree in Computer Science. Even though I came to A&M

with a strong Jewish background I knew I needed to keep learning throughout my college years. Chabad was perfect place for that. I always loved the learning, **Sinai Scholars Society** and I am a big fan of weekly **Pizza & Parsha**.

***"Donors need to know that their financial gifts, give students like me a home"***

My favorite memory is the Texas Shabbaton. Watching my Chabad open its doors for Jews around the state and see them all celebrate Shabbat with joy & excitement was so impactful. Donors need to know that their financial gifts give students like me a home. I am grateful to donors like you, for giving me a place that knows my eating habits, celebrates my birthday and makes me care packages when I am stressed. You make this happen.

As a young alumni I know I will be back to visit, stay connected and see how the Jewish Aggie family grows. I know Rabbi, Manya and their family will be there along the way in my life.

# UPGRADES YOU MADE HAPPEN

Thanks to **YOU** and a partial grant from **Houston Jewish Federation** and funding from **The Anon** and **Moler Families** we upgraded our kitchen with a commercial hood, range and griddle. Allowing us to service more students more efficiently.

Thanks to you and partners like **Abigail Fine**, we can now fit more Aggies comfortably. Your gift to our year-end campaign allowed us to renovate the Chabad lounge area.

WHY STUDENTS  
NEED YOU NOW

## I'M A PARENT AND WHY I GIVE

*"Chabad has proven to impact students with its welcoming, non judgmental, informal environment.*

*We observed, Manya and Yossi weren't fazed by the crowd of 75 students on a Friday night, nor did they balk at all the dishes they had to clean late into the night, prior to our Dishwasher donation. Manya and Rabbi Yossi see the heart and soul of each individual student. When your child is away at college that is exactly what any parent can hope for."*

**- Pam & Jack Williams**

## WE ARE ALUMNI AND WHY WE GIVE

*"We donate monthly to Chabad because there is no way we can fully repay the Yossi and Manya for all that they have done and still do for us and our families. We want to help make sure that they are able to mentor and be-friend students, just as they did with us, in the years to come.*

**- Jason & Dr. Samantha Wise**

Through Chabad, you create a warm environment for vibrant Jewish experiences. **YOU are the vital link to make that happen.**

We look at the past **ten years** in wonderment and gratefully acknowledge your constant support that has affected so many lives .

## YOU BELIEVE IN A BRIGHT JEWISH TOMORROW

YOU bring Torah classes to Texas A&M.  
YOU enable rich Holiday experiences.  
YOU provide diverse social programming.  
YOU give every Jewish Aggie a home.

We anticipate the **LARGEST** incoming class of Jewish Aggies. **YOU** keep the doors open, the pantries stocked and the home away from home strong, vibrant and ready.

In appreciation of your continued support,  
*Rabbi Yossi & Manya Lazaroff*
