

JEWISH AGGIES

Appreciation Report
Spring 2019

**I'VE NEVER MET A JEW
BEFORE.**

You gave Sarah more than a trip,
see how you changed her life.

MORE THAN JUST A TRIP

HOW YOU SPREAD LOVE AND JEWISH PRIDE

I would always meet people who would ask me "Are you Jewish? That is so interesting. I never met a Jew before!"

I started to think about the responsibility that I have as being the "only" Jew that my friends knew and the impact I could have.

I heard about the Poland trip through Chabad and decided that I needed to go. I needed to witness

first hand and articulate what happened to my friends back at home.

I went and it changed my life. The trip caused me to take a hard look at my choices and it made me realize that I want to have a Jewish family. I want to be part of and continue the Jewish legacy.

Thank you for giving me a trip of a lifetime.

Thank you for opening my eyes to my place in history. You taught me that we are all connected and can make a difference. You taught me that I need to actively engage in Jewish study, experiences, and ritual.

Now I know that I have a responsibility and am proud to be a small link in a very long and ancient chain. I have made serious changes to my life, including who I want to date and how I want to live my life.

I learned from this trip and pay it forward to others. As student leader, I used the inspiration to bring over 2,000 Aggies together to hear Holocaust survivor Dr. Eisenbach in Aggieland.

THANK YOU! The next generation is empowered because of YOU!
 Thank you for giving me this incredible opportunity.

You've changed my life. - Sarah Guccione '19

WHY STUDENTS
NEED YOU NOW

YOU HELPED A COMMUNITY HEAL

Our community faced tragedy with the loss of Sophie Rosenberg, obm, along with her mother in a tragic accident. Known for her welcoming warmth and bright smile, Sophie was kind to everyone. We know we need to continue her legacy.

We have launched our mental health and wellness initiative in her memory. Bringing experts, workshops, and training to our students. We need YOU to get involved today!

"When Sophie passed I fell to the lowest point in my life where I had basically given up hope for myself. It was through the comfort, love, care, understanding, and education, you provide for me at Chabad that brought me back, not only to a state where I was before, but to the highest point in my life that continues to climb to this day". - Joey Fuchs, 2021

WE ARE PARENTS AND WE GIVE

We invest in Aggie Chabad because it provides our son at A&M with a wonderful place to participate in Jewish activities from Shabbat dinners to classes, to holiday celebrations. - Jon & Barbara Powell

I AM A FORMER STUDENT

We give to Rohr Chabad because of Yossi and Manya. They are two of the most selfless incredible people we have ever meet. The dedication, unconditional care and love that they give to the Jewish community in Aggieland is unparalleled. There would hardly be a Jewish life at A&M without them. - Kyle & Jody Stein
